BREEDING INFORMATION:

1. There will be a minimum of _____ attempts at breeding with a maximum of _____ attempts.
2. The female owner will deliver or send the female to the stud owner and will leave the female in the stud owner's care for no longer than ____ days. The female owner will provide any medication, special dietary requirements, and daily food for the female. The stud owner will provide shelter and care for the duration of the female's stay.
3. The stud owner will not be held responsible for any illness or injury that should arise to the female while in their care unless it is the direct result of negligence. The female owner is responsible for any and all veterinary or miscellaneous costs related to the female that become necessary during her stay.
4. In the event no pregnancy results from this breeding, a free return stud service shall be provided to the *same* female by the *same* stud dog, if available. If the same stud is not available, the owner of the stud will provide an alternate stud for a subsequent breeding. If the second attempt fails, the contract will be considered completed and no refunds will be issued.

PAYMENT INFORMATION:

The female owner will pay the stud dog owner the sum of \$ _____ in advance for the stud service with the remaining amount of \$ _____ due on the agreed upon date of the first breeding.

TERMS AND CONDITIONS:

1. The owners verify that to the best of their knowledge their respective dogs are both fertile and in good health and do not suffer from any contagious conditions (including but not limited to parasites, rabies, DHL or Parvovirus).
2. The female owner asserts that the female meets the following criteria.
 - 2.1. The female is in good physical condition. She is free of fleas and ticks and has had a bath before she arrives.
 - 2.2. The female has a stable temperament or is properly restrained to prevent injury to the other animals.
 - 2.3. The female has had her hips, elbows, and heart tested and possesses the necessary paperwork to prove that she has passed.
 - 2.4. Within the 6 months prior to the scheduled breeding the female has been tested for brucellosis and the owner has the paperwork proving the female has passed.

3. The stud dog has undergone the following health tests to screen for the following genetic conditions known in the breed:

3.1. _____

3.2. _____

3.3. _____

3.4. _____

3.5. _____

4. The stud owner retains no responsibility for any veterinary or other costs related to the female's health that may arise during pregnancy or afterward. They give no warranties or guarantees regarding the health and/or birth of any puppies arising from the mating(s) covered by this contract and will not be held financially responsible for any veterinary or other costs related to said puppies.

5. The stud dog owner undertakes that they will sign and complete all Kennel Club documentation to confirm the date of the mating in the event that a puppy or puppies are produced by the mating and provide any other information regarding the mating that the Kennel Club may require upon being requested to do so.

6. The female owner agrees that no puppy resulting from the above breeding shall be bred without the express permission of the stud owner. This permission will be contained within the "Additional Terms or Notes" section of this contract.

6.1. If permission is granted by the stud owner, the female owner may hold back a suitable male or female for the purpose of breeding but an extra fee of \$ _____ will apply and is due upon the date the puppies reach 8 weeks of age.

6.2. If the female owner wishes to sell a puppy produced from the breeding pertaining to this contract on it's own breeding contract express permission from the stud owner is required and an extra fee of _____ will apply and is due upon the date the puppies reach 8 weeks of age.

7. No puppy resulting from the above breeding shall be sold to a dog dealer, pet shop, or agent of either.

7.1. Buyers of puppies resulting from the above breeding shall be required to sign a written agreement that they in turn:

7.1.1. Will not sell said puppies or their offspring to a pet shop, dealer, or agent of either

7.1.2. Will breed any female purchased from the litter resulting from the above breeding *only* in accordance with female owner's terms and conditions and upon stud owners consent and not before she has reached an age of 2 years or has begun her second heat.

ADDITIONAL TERMS OR NOTES:

By signing both parties certify that they have read and understood every part of the contract and that they agree with all of the terms and caveats contained therein.

In addition, they assert that they have seen and are satisfied with any relevant paperwork (such as pedigree papers or health testing data) that they require to agree to the intended breeding.
